

Dear colleagues,

We are pleased to announce an opening at Cornell University's College of Agriculture and Life Sciences (CAL S). We are currently recruiting a Full Professor and inaugural Director of the Ashley School of Global Development and the Environment, a tenured/tenure-track leadership role focused on shaping the vision, mission, and programs of this new interdisciplinary school that spans environmental sustainability, development studies, applied economics, and natural resources.

The position is based in Ithaca, NY, and invites candidates with a distinguished record of scholarship, strategic leadership, and a commitment to inclusive academic excellence. We invite you to share this position with your networks.

Position title: Director and Full Professor

Job listing: <https://academicjobsonline.org/ajo/jobs/31386>

The application deadline for full consideration is January 31, 2026.

Thank you on behalf of the search committee,

Co-chairs: Mario Herrero, Professor, GDEV and Jocelyn Rose, Director, SIPS
Reem Hajjar, Associate Professor, NRE
Nina Therkildsen, Associate Professor, NRE
Chuan Liao, Assistant Professor, GDEV
Chris Barrett, Professor, Dyson School
Lacey Lattin, Search Administrator
